EDITOR'S LETTER

Aw, have you seen the John Lewis advert? And the M&S one? What about Argos? Bless! And Aldi? Hang on, what do you mean you couldn't give two shakes of Rudolph's tail about any of the adverts on the telly - are you some sort of Ebeneezer Scrooge figure? Well if so you'll be pleased to learn there are no refugee bears, monsters under the bed or families of aliens in Mayfair this month – just lovely, lovely ladies disrobing for your seasonal enjoyment. So have a good one!

GET CIGGY WITH IT

Dear *Mayfair*,
I hate Christmas *(Well clear off then! – Ed.)*. I hate the fact that it seems to start in early November now, the fact that it is so materialistic and I especially hate the enforced get-togethers. Well, after last year, the latter isn't strictly true anymore but I'm pretty sure that was a one-off.

Every year on Christmas Eve, my whole family is expected to attend a big dinner at my parents' house – and by expected, I do mean expected. My poor sister was still forced to go one year, despite having full-blown flu. As I have four brothers and sisters and we are all married, all with kids – some of who have their own partners now, the day isn't so much a gathering as a formal party. Anyway, it's endured every year because it's expected. And every year, the same things happen – my brothers get pissed, their wives get pissed off and the kids run around screaming until they finally crash out due to exhaustion. And in that respect, last year was no different. The only difference this year is that my wife became ill and had to leave early. She took our kids with her, which allowed me to relax and get drunk myself, for a change.

I was out in the back garden having a sneaky cigarette when my nephew's girlfriend, Sadie, joined me. I was sat on the picnic table, looking at the stars, and she perched next to me.

"Got a light, Mick?" She asked, nudging me in he ribs, making me jump. Pulling a lighter from my pocket and handing it over, I nudged her back, almost causing her to lose her balance and fall off the table. She let out a girlie giggle and slapped me playfully – and that was the first time it had crossed my mind that she was flirting with me. I wasn't sure though, so pushed it to the back of my mind and started a conversation, asking her how work was, or something.

And that was that. Until a few hours later, when I found myself in the same position: outside having a smoke with Sadie. This time, however, we were both a lot drunker and most people had crashed out or gone home, although there was still music blaring out and I could hear someone laughing hysterically.

Sadie sat next to me on the picnic table, shivering in the cold air. I offered her my jacket and she accepted gratefully, almost snuggling into it as I draped it around her shoulders. I don't know what it was about that moment – I can only describe it as a feeling of electricity in the air – but as Sadie looked up at me while I put that coat around her, I had the sudden urge to kiss her.

As soon as I planted my lips on hers she responded, wrapping her hands around the back of my neck and pushing her tongue inside my mouth. Jesus, this girl was horny! I had a felt guilty about my nephew, but it was just a fleeting thought, I'm ashamed to say, as Sadie grabbed my hand and shoved it up her top. Her pert little tits were a perfect handful, her stiff nipples protruding noticeably against the palm of my hand. I tweaked them, rolling them between my thumb and finger, enjoying the way she gasped and

NEWBIE PRIZE

Dear *Mayfair*,
I have to doff my cap to the standard of girl you always manage attract into the pages of *Mayfair*, with no fewer than four newbies making their debut in 52.12. Coverbabe Olivia really looks the part in her floral lingerie, so I hope we'll be seeing more of her (in both senses!) in the near future. Meanwhile Bridgette, while tucked away on page 73, was a staggeringly horny sight, her boobs, bum and gorgeous pussy all looking like the answer to any right-thinking man's dreams! Blondie's pussy, meanwhile, was spectacular, gaping with arousal in that final shot and just demanding the attention of a red-blooded male! And then finally there's Lycia, who looks like butter wouldn't melt in her mouth, but I know I would!

Top issue – keep up the good work.

COULD BE VERSE

Dear *Mayfair*,
I was so inspired by the wondrous shape of Katy Jayne's rear that I've penned an ode in its honour – I hope you (and she!) enjoy it.

Phew what a BOTTOM!
This lady's sure got 'em –
Curvy bum-cheeks, so naughty,
Gosh, I feel sporty!

Bold as brass,
Katy's glorious ARSE –
Pure vision of bliss,
I'd bow down and kiss!

Sweet DERRIERE!
What's to compare?
Peachy curves, ripe and lush,
Soft bloom and blush.

Katy's so kind,
To share her cute, bare BEHIND.
Hot, frisky maid,
Smiling, 'Come and get laid!'

Oh! Beauteous BUM!
'Tis Heaven to come,
Spilling Pearls of Pleasure
In awe of fair treasure!

Gabriel, London.

squirmed beneath my touch. I wasn't surprised when I felt her hand on my bulging cock – Sadie obviously wasn't shy! I was surprised, however, at how deftly she removed my dick from my trousers – she had it free within mere seconds! And, no sooner was it was free, than it was in her sexy, hot mouth.

I held my breath as she devoured me, taking my length as far back as she could from the off, making gagging sounds as it hit the back of her throat.

It felt so good I couldn't stop myself from thrusting and pretty soon she was just holding her head still as I pushed my throbbing member in and out of her open gob. I knew full well that with the amount I'd had to drink, and given that I was skull-fucking a sexy 21-year-old blonde, if I carried on this way I wouldn't last too long. And I had enough about me to know that I wouldn't get this chance again, so I had to fuck her. I needed to know what her cunt felt like, encasing my cock.

Sadie obviously had the same idea, because she suddenly stopped sucking me off and headed towards the bottom of the garden, turning and grinning at me as she beckoned me to follow. I didn't hesitate, stumbling as I hurried after her, pushing my dangling cock back into my fly as I tripped over myself to get my end wet.

I was only a few seconds behind her and yet, when I reached the bottom hedge, I realised she was leant against the back of the shed, dress hitched up around her waist, knickers in her hand, her pussy on display for my benefit. I let out a laugh almost accidentally and I couldn't believe my luck as she pounced on me, immediately sucking my face off and throwing one leg around my waist. I ground my cock into her crotch, relishing the warmth I felt through the material. I reached down and almost let out a squeal when I discovered how wet she was – the girl was dripping!

I dipped a finger into her honeypot, enjoying how easily it slipped inside, so I added another and she let out a big breath, like she had been gagging to have her snatch filled for a while. It was all the encouragement I needed and I smoothly reached into my fly and, smoothly replaced my digits for my rock-hard schlong.

She gasped as I pushed my way into her warm, wet pussy, instantly begging me to "fuck her hard". I obliged, holding her slim waist as I pushed my prick upwards into her tight, sloppy hole. She was noisier than I would have liked, and it did up the danger level a bit as she squealed and moaned with every hard thrust, but I could still hear the sounds of music and partying coming from the house. I banged into her as hard as I could, grunting myself with the effort, upping my game as she clung onto me, one leg still hooked around my waist.

I wasn't sure if I would last long enough for Sadie to get off, but she surprised me once more by letting out a long wailing noise and her whole body tensed and shook, as she climaxed visibly. As her pussy muscles tightly milked my length, I followed suit, pumping my hot jizz deep inside her convulsing twat.

When we'd come down from our dizzy heights, we sorted our clothes out as well as we could and headed back inside. Nobody had even noticed we'd gone, let alone became suspicious by our shifty behaviour, thank fuck.

I've seen Sadie a few times since then and she's always put on a very good show of pretending nothing happened. I just hope that doesn't mean she's anticipating a repeat performance at this year's Christmas party. I guess I'll let you know if anything happens…

Mick, Letchworth.

UNI BOND

Dear *Mayfair*,

HONOUR

Age: 22 **Vital Stats:** 34C-25-35 5'7"
Photographer: BBM

Yes, we know we've left it a bit late in the day, but just because it's issue 13 doesn't mean we can't spring a foxy new Mayfair debutante on you, does it? Yes, advent usually means the Ed spends the weeks running up to Christmas in a boozy haze, but he's still just about compos mentis enough to know a good thing when he sees it, and when Cheshire lovely Honour May got in touch he was up out of his chair almost before you could say, "Come on old timer, it really is time to get up out of your chair now, you know!"

Ahem, anyway, rather posh Honour's surely the perfect way to kick off the last issue of 2017!

thought a city like London would swallow her up and spit her out. I truly expected her to come running home after only a few weeks but I didn't see her again until the following summer and when I did, I couldn't believe the transformation.

Gone were the glasses and the hair bands and the sweaters with teddies on them, in their place make-up, cropped tops and even jewellery in her face.

I called on Karen the moment I heard she was back and we went for a walk down by the river as we'd done dozens of time before.

"London is fantastic," she told me, "A real kicking town."

I'd never pictured her as a party girl before and as she told me all about the friends she'd got and the good times she'd had I couldn't help but feeling a little jealous. I'd been stuck in this place for the last year, looking forward to nothing more than seeing my friend again and she'd been out there having wild times. I felt decidedly pissed off.

I kicked a few pebbles and brooded on my thoughts but then Karen said something that snapped me back to reality.

"You know, I can't believe we never fucked before. I mean, we've always been close, haven't we? I haven't even seen your cock?" she said, drawing closer to me.

> KAREN'S PUSSY WAS SWOLLEN WITH EXCITEMENT. I RUBBED MY MEAT UP AND DOWN HER SLOT…

I didn't know and was completely flustered with this question. Who was this girl and what had she done with my Karen?

I suddenly felt her rubbing at the front of my trousers and she kissed me gently on the lips.

"Feels like you've got a nice one in there," she whispered in my ear as she traced the shape of my rapidly swelling hard-on with her dainty little fingers. "I bet it tastes nice too."

My cock pumped inside my boxers a couple of times and I almost fainted through shock. I'd never thought of Karen in a sexual light before, but suddenly I couldn't resist her.

I wrapped my fingers around her hips and pulled her into my cock. Karen mewed as I rubbed my steel-like boner against her flat belly and a moment later she slipped her hand inside my trousers and grabbed my cock.

"Come on," she said, leading me into the bushes by my meat, and a moment later we were hidden from view and tearing into each other's clothes.

Karen's pussy was swollen with excitement. I rubbed my meat up and down her slot as she watched my prick intently.

"Slip it into me," she said, so I did and sank into her silky warmth. "That feels good," she moaned, bucking back against my prick as she wrapped her legs around my waist.

I pulled her crop top up and her lacy white bra down to reveal her perfectly pert tits. I licked her breasts all over and pulled at her nipples with my teeth as we ground our crotches together.

After only a few seconds our thighs were sticky with her excitement and my balls began to tighten. I didn't think I was going to last long, especially not by the way she was squirming beneath me and whispering filth into my ear.

"Fuck my pussy," she told me. "Fuck it harder… then fuck my arse."

I didn't have a hope of fucking her arse just then as my come was imminent. However, I knew for a sure that I would before the end of the day and this thought finished the deal.

I clenched my cock to try and stop myself from spraying as I drove into her a couple of last times before finally letting go.

I pulled out as the first spasms started and stuck my length straight in her face.

"Suck it," I told her and she pulled it into her mouth just as I exploded. She whimpered as she gulped down my goo and milked my cock just right in order to get every last drop before thanking me for the drink.

"Delicious," she said, licking her lips. "Can I have some more?"

I can't begin to count the times we fucked over the summer before Karen finally went back to Uni, though when she did I was a little upset.

"Don't worry," she told me. "Whatever happens, you'll always be my best fuck friend."

Karen always did know just what to say to cheer me up.

Paul, Lincoln.

FORREST… AND PLAY!

Dear *Mayfair*,

I know there are guys out there who really go in for big boobs (and yes, I can see the appeal), I've always preferred a nice pert pair, so Natalia Forrest's been one of my favourite *Mayfair* girls ever since I started buying the mag about five years ago – and she just seems to get better and better! I don't know how she does it, but comparing pictures of her in her latest photoshoot to ones I've got of her from 2013 and she looks perkier than ever! Please pass on my compliments to this stunning babe, and I hope we'll still be seeing her fabulous body in *Mayfair* in another 4 or five years' time!

As we were shooting this set news reached the studio that an American newsreader called Charlie Rose had just been given the boot for sexual harassment in the workplace – what are the chances of that?!

"Ha - I know! I had heard of him before, of course, because of the name" says our Charlie, "but for people in this country he's not very well known. But you needn't worry – not everybody with that name goes about making sexual advances to people in the workplace. I'm very professional when I'm shooting, and wouldn't dream of carrying on like that!"

Oh. Well that's great news, we must say.

THE LOTUS BEATER!

You might be tempted to think a car's a massive flop if they only sell 30 of them, but this one ain't!

Rare and race-bred, the extreme limited-edition Lotus Elise Cup 260 packs the company's passion for motorsport engineering into one of the most accomplished cars it has ever produced. Taking what's widely regarded as the benchmark for intuitive handling and driver involvement, Lotus has integrated some of the latest design philosophies from high-performance stablemates including the Exige Cup 380, and the mighty Evora GT430, as well as building upon the track and competition only Elise Race 250.

Setting a standard for outright track pace and low lap times, this ultimate Elise has been unveiled as the company prepares for the 70th anniversary of when founder Colin Chapman built his first car in 1948. Referencing Lotus's motorsport successes, the new Elise Cup 260 has a laurel wreath decal on the left buttress and the Union Jack on both the rear wing end plates together with the option of finishing the car in iconic Championship Gold.

Delivering big gains from focused development, the new Elise Cup 260 provides a sparkling blend of purpose with purity at the top of the Elise line up. With 250hp from the supercharged engine, designed to make the most of the Elise's exceptionally stiff extruded and bonded aluminium chassis, it endows the Elise Cup 260 phenomenal straight-line speed, agile handling and, with the significant downforce available and the wider, road-legal motorsport tyres, harder and faster cornering. These elements combine to deliver a lap of the Hethel track in just 1 minute 32 seconds, 2.5 seconds faster than the Elise Cup 250.

The Elise Cup 260 continues the new model's visual styling, first introduced on the Elise Sport and Sprint models, but incorporates the aero lessons learnt from Lotus's latest models, including the Evora GT 430. This includes louvred front wheel arch vents to reduce lift, and a new oversize motorsport-derived rear wing, developed from the Lotus 3-Eleven. Working with the redesigned lightweight front clam panel, with wider apertures, carbon front splitter and the rear diffuser, these generate up to 180kg of downforce at the car's top speed of 151mph. This is a 44% gain on the already impressive Elise Cup 250, allowing greater grip levels and higher cornering speeds.

As befitting the marque which was first to build and run a carbon fibre F1 car, the Elise Cup 260 comes with lightweight carbon fibre and composite components as standard. These include the large rear wing, the front access panel which saves 1.1kg, the engine cover saving 3.3kg, the roll hoop cover, 0.7kg and the side sill covers, 0.8kg. Ultra-efficient and lightweight two-piece brake discs save a further 4kg. Standard lightweight parts carried over from the Elise Cup 250 include Lotus' beautifully finished lightweight carbon race seats, weighing just 6 kg each, a Lithium-Ion battery, saving 9 kg, lightweight forged alloy wheels and a polycarbonate rear screen. Collectively the Elise Cup 260 is 15kg lighter than the Elise Cup 250, weighing in at just 902kg (unladen) and 862kg in the lightest possible dry configuration.

The all-alloy, chargecooled supercharged 1.8-litre engine has undergone development, with new induction components and revised calibration. Delivering 250hp it's mated to a six-speed manual gearbox with sports ratios. The change to the induction system including a race derived performance air filter and the Elise's tuned exhaust note means that the Elise Cup 260 retains the crown for best-sounding forced-induction four-cylinder on the market. Overall, the fall in mass and rise in power boosts acceleration, with 0-60mph dispatched in 3.8 seconds and a power to weight ratio of 290hp/tonne (dry).

Providing its trademark handling and steering feel, the Elise Cup 260 features fully independent double wishbone suspension with an adjustable front anti-roll bar, with Nitron coaxial coil springs and, for the first time on an Elise, adjustable Nitron high-performance dampers. With 24 settings for rebound and compression, the dampers allow owners to perfectly dial-in the car's setup to their preference.

As standard, the Elise Cup 260 comes with ultra-lightweight motorsport forged alloy wheels (16-inch at the front and 17-inch at the rear) and are fitted with Yokohama Advan Neova AD08R tyres (205/45 R16 front & 235/40 R17 rear) which have been specifically developed for high performance track and road use. The tyres are 10mm wider at the front and rear compared to the tyres fitted to the Elise Cup 250 providing the mechanical grip necessary to exploit the power and downforce the car generates. Braking is provided by AP Racing twin-piston front calipers and Brembo at the rear, which are perfectly matched to the lightweight two-piece brake discs.

The Elise Cup 260's interior bears testament to the car's hand-built nature, with beautifully detailed components. Centre of attention is the detailed, manual

"THE ELISE CUP 260'S INTERIOR BEARS TESTAMENT TO THE CAR'S HAND-BUILT NATURE, WITH BEAUTIFULLY DETAILED COMPONENTS."

gearbox's open gate mechanism, which is both technically and aesthetically appealing. The finish of Lotus's in-house manufactured carbon race seats, trimmed in black Alcantara with contrast red or yellow stitching, is echoed by the door panels and face-level vents. Bodywork keyed colour inserts for the sports seats, transmission console, HVAC surround and window switches are both complemented by the cabin's exposed aluminium and carbon fibre elements including a new carbon fibre instrument binnacle cover.

Summing up the new Lotus, Jean-Marc Gales, CEO of Group Lotus plc said, "As we near the 70th anniversary of the inception of Colin Chapman's engineering legacy, it's only right that we build the very best cars as special editions, and the Elise Cup 260 is certainly worthy of that accolade. Our special editions have always proved extremely popular with our customers around the world, and we know they value the extensive development work that goes into each one. With just 30 examples to be built, there's no doubt that the Elise Cup 260 is a future classic."

The bad news is that all 30 have been sold, and at just shy of £60k they're an absolute steal!

I don't know about you lot, but my first reaction, upon opening and reading a Christmas card, tends not to be slipping off my undies and playing with myself (although thinking about it, it *is* my first reaction to quite a few other things!) – perhaps I've been getting the wrong sort of Christmas cards all this time, with dull messages about season's greetings and the like...

"Yes, I think it's far more fun to send cards with sexy messages inside!" insists Staci, "at least that's what my fans do and I love reading them and having a fiddle, as you can see!"

Indeed we can!

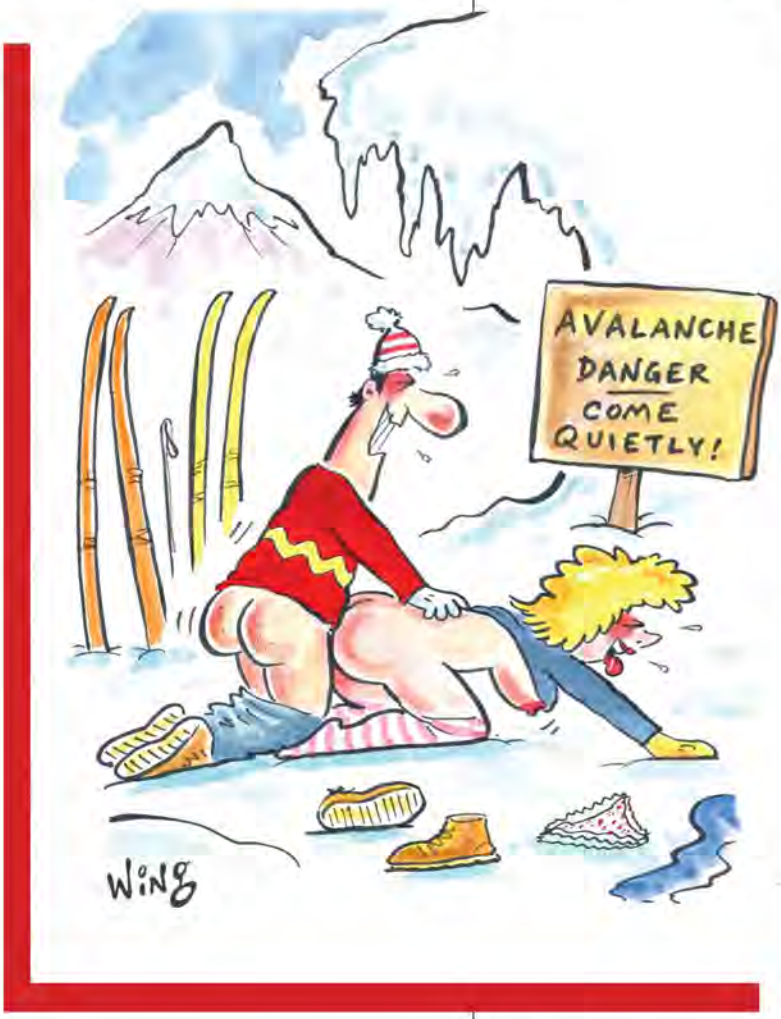
A man moves into a nudist colony. He receives a letter from his mother asking him to send her a current photo of himself in his new location. Too embarrassed to let her know that he lives in a nudist colony, he cuts a photo in half and sends her the top half.



Later he receives another letter asking him to send a picture to his grandmother. The man cuts another picture in half, but accidentally sends the bottom half of the photo. He is worried when he realises that he sent the wrong half, but then remembers how bad his grandmother's eyesight is, and hopes she won't notice.

A few weeks later, he receives a letter from his grandmother. It says: "Thank you for the picture. Change your hair style, it makes your nose look too short!"

A blonde decides one day that she is sick and tired of how all blondes are perceived as stupid, so she decides to show her husband that she is smart.

She decides that she is going to paint a couple of rooms in the house. So the next day, right after her husband leaves for work, she gets down to the task at hand. Her husband arrives home in the evening and smells the paint.

He walks into the living room and finds his wife lying on the floor in a pool of sweat. He notices that she is wearing a parka on top of a jacket.

He asks what she is doing. She replies that she wanted to prove to him that not all blonde women are dumb, and she wanted to do it by painting the house.

Then he asks her why she is wearing a parka over her jacket.

She replies that she was reading the directions on the paint can and it said: "For best results, put on two coats."

"Doctor, Doctor, please help me! I've got a problem."

The doctor examines the man and finds the man has a red ring around his penis. The doctor gives him an ointment to rub on the problem area.

"It's all cleared up," the man happily reports when he returns a few days later. "But what was that medication you gave me?"

The doctor replies: "Lipstick remover."

A guy out on the golf course takes a high-speed ball right in the privates. Writhing in agony, he falls to the ground, and decides to get himself to the doctor.

He says, "How bad is it, doc? I'm going on my honeymoon next week and my fiancée is still a virgin in every way."

The doc said, "I'll have to put your penis in a splint to let it heal and keep it straight. It should be OK."

So he took four finger splints and formed a neat little 4-sided bandage, and wired it all together; an impressive work of art.

The guy mentions none of this to his future wife, marries her and on his honeymoon night in the hotel room, she rips open her blouse to reveal a gorgeous set of breasts.

She says, "You are my first, no one has ever touched these breasts."

He whips down his pants and says, "Well, look at this, it's still in the crate!"

A petrol station worker spots two penguins sitting in the back seat of a man's car. He asks the driver, "What's up with the penguins in the back seat?"

The man in the car says, "I found them. I haven't had a clue what to do with them."

The petrol station worker ponders a bit then says, "You should take them to the animal sanctuary."

"Hey, that's a good idea" says the man.

The next day the man with the car is back at the same petrol station. The assistant sees the penguins are still in the back seat of the car.

"Hey, they're still here! I thought you were going to take them to the animal sanctuary."

"Oh, I did," says the driver, "and we had a wonderful time. Today I am taking them to the beach." *(This one's ancient! – Ed.)*

Three men die on Christmas Eve and go to heaven, where they're met by Saint Peter.

"In order to get in," he tells them, "you must each produce something representative of the festive season."

The first man digs into his pockets and pulls out a match and lights it. "This represents a candle of hope." Impressed, Peter lets him in.

The second man pulls out a bunch of keys. "These are bells." He's allowed in too.

"So," Peter says to the third man, "what do you have?"

The third man proudly shows him a pair of red knickers.

"What do these have to do with Christmas?" asks Peter.

"They're Carol's."

Holding out for a set of a girl in a silly Santa hat? Well, OK, we'll admit we've done it plenty of times over the years, but this time round we thought we'd go for something a bit classier! And Dannii Harwood's certainly looking the business sprawling about by her rather tastefully decorated tree, isn't she? So is she hoping for anything in particular this Christmas?

"Just peace and goodwill to all men!"

Oh. I'm not really going to be able to wheedle my way into your affections with a box of that now, am I?!

Scene from MAYFAIR

'Tis the season to be running round the shops desperately looking for things to buy your nearest and dearest, so to help you out, here's a double bunce of DVD releases to consider!

DUNKIRK

A few issues back we featured the TV dramatisation of the 1940 evacuation of the BEF from the beaches of Dunkirk. Well that release, of course, was timed to pre-empt Christopher Nolan's epic big screen take on the subject – and what a sizzler it proved to be. Shot in 70mm film (yes, film – none of your newfangled digital guff here, please!) every single frame of the movie looked staggering, and the Director also strove to use as little CGI as possible, giving it a slightly old-fashioned style that contrasts nicely with the CGI lunacy of many a cut-price offering these days. Fion Whitehead plays Tommy, a, erm, tommy who's desperate to get back to Blighty, while Mark Rylance takes his little boat across to join ad hoc flotilla that's bringing our boys home. Absolutely dazzling from start to finish as it flits from one character's plight to another's, the scope of the film will dwarf even the biggest of tellies.

BUSTER KEATON COLLECTION

He may possess one of cinema's most legendary names – up there with Chaplin and Hitchcock, say, but how many of us have actually seen any of Buster Keaton's films? Maybe that's unsurprising, given that until recently they've looked all of their 90-odd years. But hey – Eureka have only gone and dusted off three of his most important releases and, with painstaking precision, given them a cracking new 4K reissue that has them looking sprucer now than they ever could have done in their prime. 1924's *Sherlock Junior* sees Keaton flexing his film-making muscles with some innovative touches, which really come to the fore in *The General* (1926) and *Steamboat Bill, Jr.* (1928), both of which are *tour de force* examples of the silent era at its boldest. Exceptional stuff, and the films are available separately or as a stocking-pleasing boxset, complete with copious extra features.

THE FARTHEST

I can't remember the last time we featured a space documentary, but then again they probably don't come along all that often, do they? Irish Director Emer Reynolds has presented a few acclaimed docs at film festivals over the last few years, but really seems to have hit her straps with this one, which tells the tale of the twin Voyager missions, launched to explore our solar system a couple of weeks apart back in 1977. By modern standards they were extremely rudimentary, but they've relayed so much priceless information back to Earth during their 40 years aloft that this mind-boggling celebration of their creators and their mission seems more than apt. A fitting testament to a pioneering project that has seen Voyager 1 recently become the first man-made object to enter interstellar space.

GAME OF THRONES 7

We couldn't really ignore this one, could we? – it's bound to find its way under plenty of Christmas trees this year, either for those who can't or won't shell out for Sky Atlantic, or else those who love it so much they've got to have a physical copy as well. In the style of a lot of recent series (*Mad Men* and *Breaking Bad* spring to mind) the final season's a long one that's ben split into two, which means you only get 7 episodes here, with the final 8 to come next year. It feels a bit like a way to screw more money out of us punters, but you can't really complain about being short-changed of any action! Things in and around Westeros have been coming to a head for ages, but now the plot's rushing forward at a furious pace, with Jon Snow hooking up with Mother of Dragons Danaerys in the hope of seeing off the Army of the Dead, while Cersei's still doing all she can to hang onto the Iron Throne. More massive set pieces, unexpected deaths and top notch acting keep you on the edge of your seat throughout!

DETECTORISTS SERIES 3

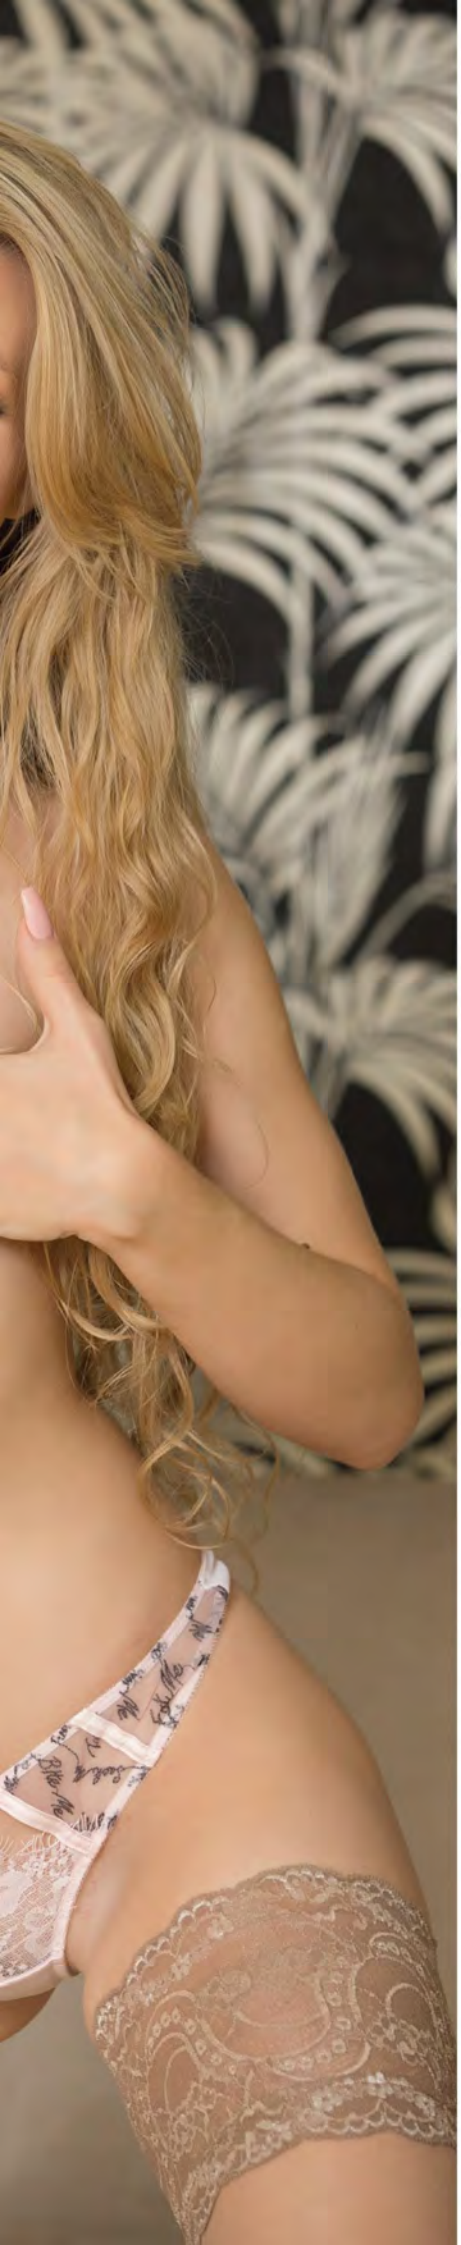
If you spend enough time metal detecting in a field in Essex there's a chance you'll stumble across some treasure sooner or later, and the same also applies if you steer your telly away from the beaten track of the more obvious channels and head to BBC4, where the final series of this treasure has just aired. Written by – and co-starring Mackenzie Crook – it's about as English a slice of sitcom as you could hope to find, with Crook and the always wonderful Toby Jones whiling away their (seemingly copious) spare time in aforementioned field, whilst also dealing with petty humdrum family and work issues like living with your mother-in-law (it's Diana Rigg, mind – another *Game of Thrones* alumnus like Crook!) or a recently discovered daughter. Understated's the word, alright, but the script is spot on, and it's impossible not to warm to the pair with their gentle pursuit and perfectly attuned humour. And if you missed the previous series, there's a boxset out as well containing the lot. A golden hoard and no mistake.

THE CANTERVILLE GHOST

You can't beat a good ghost story over Christmas, can you? OK, so MR James more or less sowed the whole thing up (posthumously) when so many of his stories were made into classic programmes in the 70s, but there's got to be room for a few others, hasn't there – and who could be better than Oscar Wilde? Ah yes, in that case it's not your typical creepy ghost story though – rather a comic look at the differences between the old world sensibilities of (pre-)Victorian Britain and the rather more thrusting attitude of our transatlantic cousins. Patrick Stewart plays the ghost of Sir Simon de Canterville, who's extremely irked when an American family move into his family pile, and who does his best to drive off these brash interlopers (including a young Neve Campbell). And look out for long-lost British favourites Donald Sinden and Joan Sims in there, too! Family fun that's just the ticket for this time of year.

MICHELLE

Age: 23 **Vital Stats:** 33B-25-35 5'4"
Photographer: BBM



Mr and Mrs Moist spent years worrying about whether their unusual surname might prove to be a problem for their daughter Michelle as she grew up, but as things turned out it couldn't have served her better, because here she is, gracing the pages of *Mayfair*! Yep, it's another newbie; the delectable Michelle, who made a name for herself by featuring in some of the most trouser-tenting movies to have hailed from these shores, is now ready to give it a go on the top shelf, and we're delighted to welcome her. The stunning prospect of her gorgeous blonde pussy has got us all licking our lips in delight, although we'd much rather be licking hers!

MAYFAIR Movies

There's clearly more than one way to cure the world's ills, so this month you can help do so with the assistance of some randy suerheroes, some randy yogis and some randy masseuses.

Wicked Pictures

JUSTICE LEAGUE XXX

★★★★☆

Editor's PICK

CAST: Romi Rain, Charlotte Stokely, Jessa Rhodes, Jessica Drake, Katrina Jade.

Barely a month goes by without a new superhero flick being unleashed on the public, and then just when you think the whole genre's been exhausted they give someone a reboot and start all over again. Audiences somewhere (probably China) must love it or else they wouldn't bother, but personally it leaves me cold. Still, one welcome consequence of the whole thing is the number of rather magnificent porno parodies they inspire – so while I really couldn't give a stuff about watching Wonder Woman kicking some sap in the throat, I'm not averse to said sap tickling hers with the end of his knob. Still, it's Green Lantern who first shows off his costume, his pork sword poking out enough to let Romi Rain get to grips with it, and the dirty mare sticks it everywhere she can before she's done with it. Flame-haired Jess (aka 'Knockout'!), meanwhile, looks corking as she uncorks Clark Kent's superseed all over her norks, before Romi's back in the frame with a moody lez-up with twisted Batgirl Charlotte. No costumes for Lex Luthor's threesome with Jessica and Katrina, but they're back in force when Romi's Wonder Woman takes on three supercocks for the grand finale. **Available from your local sex shop.**

Private

YOGA STUDIOS 2

CAST: Belle Claire, Nicole Love, Vanessa Vaughn, Dominica Phoenix, Eveline Darling.

I've just about reached that stage in life when yoga's starting to feel like the least bad sort of physical exercise to be doing, so naturally this release from Private had me intrigued. Perhaps I'd be able to pick up a few tips on how to meditate away those knots in body and mind that keep me so stressed all the time. Sadly I wasn't able to glean very much at all along those lines, but I can't say watching the film was a complete waste of time, because it featured some really quite stunning girls getting pronged in some quite outlandish positions, kicking off with coverbabe Belle, who really does look almost at one with everything as she takes a length. Domenica and Nicole are clearly just on keen to suck on each other's ample pussy lips as they are on their woodsman's pole, although the lucky lad has no cause to complain when he gets to slam into each of them before drizzling his lingam all over their upturned mushes. Belle's back for some very flexible fornication before a double-dicking for Eveline ensures everyone's much karma than they were at the beginning.

Viv Thomas/MetArt

SECRET MASSAGE DESIRES

CAST: Lena Love, Talia Mint, Alyssa Reece, Nekane, Arwen Gold, Taissia, Naomi Nevena.

On the off-chance that you're still feeling all strung-out after all that yoga, then there's only one thing for it - a good massage. Not for you, though, but for a selection of tasty Euro-flampers, courtesy of Viv Thomas and MetArt! Lena Love and Talia MInt (and she really is!) are the first pair up to the plate, and they're clearly both feeling horny even before they start. Blonde Lena, clad only in a towel, stretches out on the table while Talia sets to work, and it doesn't take long before the towel's gone and Lena's got a few digits wedged firmly up her new chum's mivvi. With the help of a niftily-placed overhead cam we get to watch as they get stuck into each other, before reversing roles so that Talia gets a lie down as well. All pretty classy, with lingering shots of erect nipples all adding to the sense of occasion. After that it's time for Alyssa and Taissia to have a go and, well, it's not overly dissimilar to the opener, only this time they're both brunette. As hands stray between oily thighs it looks like everyone's having fun, but a bit more variety might not go amiss. There are a couple more scenes, and apart from Naomi and Arwen getting fingers up the bum, it's a tad samey. **Available from your local sex shop.**

Hang on a sec - Sammi Tye. Unless we're mistaken, it's been two whole years since we last featured the Reading-born stunner, which doesn't seem quite right, does it? What on Earth happened there?

"Oh, I had a few irons in the fire, setting up a new business and that, so I didn't have much time to do any modelling for a while there, but I suddenly remembered how much I enjoyed it and thought I'd pop in and see if you wanted anther set or two of me!"

Well that's a bit of a no-brainer, Sammi – jut don't leave it so long next time!

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

Name: STEPH
Age: 28
From: STROUD

I recently decided to join a local gym. I'm not an overweight girl, in fact I've been told by previous partners – both male and female – I have a really nice body, but I was feeling low and wanted to get fit to keep the winter blues at bay. I booked an induction course and turned up on the day to be greeted by my personal trainer, Michelle, a short blonde girl with a fantastic little figure and a really cute smile. After a brief chat she started showing me how to use all the different types of exercise machines in the gym. I didn't realise at first but she was being quite tactile with me. Every time she explained a new piece of equipment she would touch the area of my body that it was supposed to benefit. When I did realise her hands were spending a bit too much time on certain parts of my body I got ever so excited.

We moved on to other machines and each time the touches became more obvious. By this time I was feeling so excited I looked round to see if there was anybody else in view. There wasn't, so I leaned forward and kissed Michelle fully on the mouth.

She was initially taken aback by my bold advance, but she certainly wasn't scared off. After a quick expression to question whether I was sure about what I was doing she leant forward again and we locked tongues and began a very passionate embrace. Her hands planted themselves on me again and began to roam my body. I did the same and went straight for her small, firm mounds.

For a few minutes we continued to kiss and caress each other before she suggested: "we ought to go somewhere a bit more private."

Michelle stood up and led me to a store room. It wasn't the most glamorous of places but it didn't really matter where we were. As soon as she closed the door we were plunged into darkness and left to our own devices.

Our kissing resumed only this time it was more frantic. Michelle's hand went straight down the front of my leggings and since I wasn't wearing any knickers she soon felt my damp snatch. I opened my legs slightly to allow her more movement. She gently rubbed my slit before plunging a couple of fingers into my wet hole.

For what seemed like ages, Michelle fingered my drenched pussy. She would vary the speed at which she frigged me, sometimes rubbing gently on my clit, other times ramming a couple of fingers inside me as quick as she could.

Then Michelle positioned herself on the floor, legs wide open, and asked me if I would lick her clit and her hole. How could I resist? My tongue lapped gently at her clit while my fingers explored her hole. I could see she still wanted more, so I eased another finger up her bum hole. That seemed to do the trick and my tongue could barely keep up with her as she started writhing in ecstasy.

> MY TONGUE LAPPED GENTLY AT HER CLIT WHILE MY FINGERS EXPLORED HER HOLE.

With my fingers and tongue going at it overtime it didn't take long for Michelle to come, which only made me even hornier. Then she grabbed my hair, pulled me up to her face and kissed me full on the lips so that she could taste herself.

After letting Michelle have all the fun it was finally my turn. She ordered me to get on all fours with my legs slightly open. She stroked me all over for a while, and then began to focus on my already soaking pussy. She kneeled down behind me and pummelled her fingers in and out of me again. I was screaming with pleasure as she squeezed one finger up my bum.

Then she introduced her tongue and licked desperately at my pussy and arsehole. There was only so much of this I could take before my awash with climactic joy. I wriggled and bucked as every one of her tongue strokes sent me deeper into an orgasmic trance. I can honestly say I'd never quite experienced such an overwhelming climax.

Both spent, Michelle and I remained entwined on the floor. It took us some time to regain our breath and I was so knackered, my workout in the gym was cut short. It didn't matter though, because I knew I'd definitely be going back there again. And my attendance has been exceptional ever since!

When my husband and I reached our late 50s, our kids long grown up, the house always seemed too quiet over Christmas, so we began going on holiday each year. In 2014 we went to the Algarve, 2015 saw us in Russia and in 2016 we splashed the cash and baked in Barbados. Last year, we travelled to Chamonix for a skiing holiday. And it was the best Christmas I've ever had!

My husband Henry is very outdoorsy, so every day he was out learning how to snowboard, improving his skiing and squeezing every bit of fun he could from the trip. Whereas, I'm a bit more of a relaxer on holiday, so I spent most of the trip happily cosy in the après ski areas! And it was during one of my chilled out afternoons that I randomly encountered Bill.

I have always been faithful to Henry: he was my childhood sweetheart and I've never strayed. There was something about Bill, however, that made my heart skip a beat and me act like a stupid teenager!

I was sat alone in the resort lounge on Christmas Eve, relaxing with a Bailey's and reading my latest novel, when a distinguished voice interrupted my peace: "Would you mind terribly if I took this vacant chair, madam?" I glanced up to see a particularly handsome, if somewhat seasoned face smiling down at me.

"Of course not," I replied, gesturing for him to take it. He sat down across from me and looked at me, as if he anticipated conversation. I ignored him and went back to my book.

"Good novel?" He began, "I read his last two books and was impressed, though I haven't yet got around to that one."

I stopped reading. It's not in my nature to be rude, so I politely answered his question, intending to keep the conversation as short as possible. But Bill turned out to be fascinating and we quickly engaged in all manner of topics, despite myself. As the afternoon wore on, Bill kept motioning the waiter to top our drinks up and I soon found myself getting more than a little squiffy. And, as I got tiddlier, I found myself flirting with Bill, which is totally out of character for me.

So, when we got onto the subject of first edition books – in particular Dickens first editions – and Bill told me he actually had an original copy of Christmas Carol in his room I fell for it, hook, line and sinker.

As we walked to his suite, I felt a flutter of excitement in my stomach, something I had not experienced for years. And that's no reflection on my husband, merely a result of being together for so long. This was a new feeling for me and, along with the alcohol I had consumed, it made me feel younger and attractive.

Bill held the door for me as I made my way into his room and as soon as it closed he took me in his arms and I melted. I could blame the booze, or the attention, but I think I just felt extremely attracted to this suave gentleman

We kissed passionately, hands exploring each other's body and

"IT FELT WONDERFUL AS HE LICKED THE JUICES FROM MY HOLE. I PUSHED BACK, WILLING HIM TO KEEP GOING."

I felt like a teenager again. It was like he was awakening a part of myself that I had long since forgotten. When he cupped my buttocks and squeezed them, his fingers pushing between my cheeks and pressing against my bum, I gasped. Henry always liked 'normal' sex in missionary position, now here was this man

touching my bottom through my clothes!

Our passion became hungrier and I was soon in my underwear, my clothes crumpled on the floor. Bill spun me around so he was behind me, then removed his pants and I felt his hard-on sticking into my lower back. He felt huge! I sighed and he undid my bra, cupping my breasts from behind as he kissed my neck and ear, holding me close. I could hardly breathe, the anticipation of what this stranger was going to do next – I had never felt so alive or turned on in my whole life!

"I SIGHED AS HE UNDID MY BRA, CUPPING MY BREASTS FROM BEHIND AS HE KISSED MY NECK AND EAR."

Pushing my knickers down to my ankles, Bill slipped a hand between my legs, groaning when he felt how damp I was. He guided me towards the bed and bent me over, my naked bum in the air as he knelt behind me, his hands spreading my arsecheeks. I felt his breath on my inner thigh seconds before his tongue made contact with my pussy, making me jump a little.

It felt wonderful as he licked the juices from my hole. I pushed back, willing him to keep going and soon he was shoving his tongue as far as he could inside my vagina, my cheeks spread as wide as they would go. I was moaning loudly, my breathing now ragged, and when he started playing with my clit, it nearly sent me over the edge! I wriggled with pleasure under his fingers – so much so that he gave up trying to lick me and focused on diddling my swollen nub.

I knew it wouldn't be long until I climaxed. He kept his rhythm with his fingers as he stood up behind me – a talent indeed – and I suddenly felt his other hand scoop up some juice from my pussy before smearing it over my arsehole! I jumped, never having had anyone do such a thing to me before, but I quickly realised how much it turned me on. I relaxed, letting him rub both my clit and arse simultaneously, and readied myself for the blissful wave of orgasm to hit!

Bill had other ideas, however, and I suddenly felt the tip of his cock nudging against my bum. A tiny part of me wanted to protect, but it felt so good and he had me so near to climaxing that I willing gave in. I told him it was my first time and asked him to be gentle with me as he pushed inside my tight ring and I felt a stab of pain as my arsehole stretched wide around his cock, but I didn't stop him. My pussy throbbed – it felt so unbelievably gorgeous that I knew I was going to scream when he finally made me come!

> "I RELAXED, LETTING HIM RUB BOTH MY CLIT AND ARSE SIMULTANEOUSLY, AND READIED MYSELF FOR THE BLISSFUL WAVE…

As Bill started to gently fuck my bum it did feel quite uncomfortable at first. Every time he pushed his cock in I tensed and felt like I needed to empty myself. But, as he continued stroking my clit, the feeling in my bum changed to pleasure and I begged Bill to please make me come!

Oh my, did he make me come! My whole

body shuddered, my anus tried to contract but just clenched painfully hard around Bill's cock. I whimpered as the orgasm flooded my body and Bill responded to the vice-like grip around his cock by starting to fuck my petite bum properly. I screamed through the most explosive orgasm I've ever experienced and it felt amazing!

Bill didn't slow down though – he wanted to come now and was just using my arsehole for his own pleasure, but I didn't mind. He grabbed my waist on both sides so he could slam his cock in and out of my virgin derriere, moving his thumbs round to spread my bumcheeks wider apart, so he could get his cock deeper inside. He was fucking me really hard and fast, almost completely withdrawing before stretching my butt wide again with each stabbing thrust.

Suddenly I felt him shudder and a warm feeling deep inside as Bill shot his load into my aching bum and collapsed against me.

Being fucked by Bill had been unbelievable, but I knew Henry would soon be finishing on the slopes and looking for me, so I tidied myself to leave. Bill kissed me softly on the lips and told me it had been an absolute pleasure, before I returned to my hotel room to freshen up.

> HE GRABBED MY WAIST ON BOTH SIDES SO HE COULD SLAM HIS COCK IN AND OUT OF MY VIRGIN DERRIERE.

I felt quite guilty throughout the rest of the holiday – especially when I happened to spot Bill across the room – but it's the only time in 40 years that I've strayed, so I'm not going to beat myself up abut it, especially as I'm sure Henry's strayed once or twice. I'm looking at it as a long-overdue Christmas present to myself!

MAYFAIR
Classic

Wimps had better watch out, horny Helen is on the score path again. The 38-inch brunette from Sevenoaks is looking for another bloke to bonk senseless — and he needs to be fit! So what happened to the last fella, Helen? "I wore him out!" the 23-year-old claimed. "I'm very demanding. I like sex now and again. Not now and again, but NOW and again and again and again! And I have to be the one in control. When I say jump, he'd better jump, even if it's the fourth jump of the day!" Helen has no time for sensitive new men. "I crush wimps between my tits for exercise before breakfast," she sneers. "I want a real man with a real cock and plenty of real action!" Whatever you say, Helen... Ⓜ

MAYFAIR

Classic

Helen Baldwin clearly went down a storm with the folk at *Mayfair* back in 1994, because they featured her in a few issues on the trot. And you can't really blame them, can you? Those wonderful boobs, combined with a beautiful face and a perfectly manicured mivvi make her quite a winning package! Anyone know what happened to her? And are there any wimpy men out there who remember being crushed between her tits?!

MAYFAIR

Vol.53 No.1

On Sale Jan 10th

Back when *Mayfair* began the world was, I'm reliable informed, almost exclusively in black and white. There were the odd exceptions, like the land of Oz and wherever they filmed *Gone With the Wind*, but basically living in colour was only invented when *Mayfair* was into volume 4 or five. And now look at us – still going strong in the modern world, where every fact you could ever need can be accessed by a small hand-held device and we're all flying around in fusion-powered cars! Lummy, Volume 53 - who knew such a brave new world could ever exist?!
